RAM-HOL-AP25U
RAM® Form-Fit Cradle
for Apple iPhone XS

FORM-FIT IPHONE HOLDERS

These high-strength composite, form-fit cradles were designed specifically for the iPhone. Allowing for one-handed docking and removal, all buttons, cameras, ports, and speakers are left exposed. With the two-hole AMPS pattern on the back of each cradle, attach to a RAM® diamond ball base and additional RAM® components.

FEATURES

- Form-fit cradle designed for one-handed docking and removal of device providing a perfect fit without a case
- Compatible with B and C size RAM® diamond ball bases for attaching a double socket arm
- Made of high-strength composites for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

RAM® X-GRIP® PHONE HOLDERS

The RAM® X-Grip® is the most durable univeral phone holder on the market. The spring-loaded arms expand and contract to provide a perfect fit for your iPhone with or without a case. Available for iPhones of all sizes, the RAM® X-Grip® cradle secures your device while keeping it completely functional and accessible. No matter what mounting base you pair the RAM® X-Grip® with, the RAM® ball and socket technology allows for near-infinite adjustability and extends the life of your iPhone with vibration damping capabilites.

RAM-HOL-UN7BU
RAM® X-Grip® Universal Phone Holder with Ball

FEATURES

- Spring-loaded 'X' design with rubber caps provides a secure fit for phones of nearly any size
- Leaves buttons and ports exposed and accessible
- Includes optional safety tether for extra security and peace of mind
- Available in standard and large versions

RAM-HOL-UN10BU
RAM® X-Grip® Large Phone Holder with Ball

RAM® QUICK-GRIP™ PHONE HOLDERS

Capable of holding a broad range of electronics, the spring-loaded grips provide a secure fit for your iPhone with or without a case. Take advantage of efficient one-handed placement and removal of your device no matter if the iPhone is in portrait, or landscape. The adjustable side support arms add extra security and can shift to fit the width of your device perfectly. Available for standard size iPhones and XL models.

RAM-HOL-PD3U
RAM® Quick-Grip™ Phone Holder

FEATURES

- Spring-loaded holder with adjustable side supports that provide a secure fit and easy one-handed docking and removal of iPhone
- Both versions of the RAM® Quick-Grip™ fit all iPhone models
- Made of high-strength composites for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

RAM® X-GRIP®
TABLET HOLDERS

The RAM® X-Grip® for tablets is the most durable univeral holder on the market. The spring-loaded arms expand and contract to provide a perfect fit for your iPad with or without a case. Available for iPads of all sizes, the RAM® X-Grip® holder secures your device from all angles while keeping it completely functional and accessible. No matter what mounting base you pair the RAM® X-Grip® with, the RAM® ball and socket technology allows for near-infinite adjustability and extends the life of your iPad with vibration damping capabilites.

FEATURES

- Spring-loaded 'X' design with rubber caps expand to fit nearly any iPad with or without a case
- Leaves buttons and ports exposed and accessible
- Easy access grip knobs on the back of the holder allow for the quick release of your tablet
- Available for 7" to 12" iPads
